

CURRICULUM VITAE

August 2009

NAME: David A. Kenny

EDUCATION:

A.B.	1968	University of California at Davis
M.A.	1970	Northwestern University
Ph.D.	1972	Northwestern University

POSITIONS:

1972-77	Assistant Professor, Harvard University, Department of Psychology and Social Relations
1977-78	Associate Professor, Harvard University, Department of Psychology and Social Relations
1978-82	Associate Professor, University of Connecticut, Department of Psychology
1982-2002	Professor, University of Connecticut, Department of Psychology
1982-83	Fellow, The Center for the Advanced Study in the Behavioral Sciences, Palo Alto, California
1985-86	Distinguished Visiting Professor, Arizona State University, Department of Psychology
2002-	Board of Trustees Distinguished Professor, University of Connecticut
2004-	Director of Data Analysis Training Institute of Connecticut
2006-	Alumni Distinguished Professor, University of Connecticut

PROFESSIONAL SOCIETIES:

International Association for Relationship Research

Society for Experimental Social Psychology

Society of Personality and Social Psychology

American Psychological Society, Charter Member

HONORS AND AWARDS:

Sells Award for “distinguished lifetime achievement in multivariate experimental psychology,” Society of Multivariate Experimental Psychology, 2009

High Impact Paper (Baron & Kenny, 1986) for a “contribution that has proven highly influential over the last 25 years,” Society of Experimental Social Psychology, 2008

Fellow of the American Academy of Arts and Sciences, 2008

Donald T. Campbell Award, Society of Personality and Social Psychology, 2006

University of Connecticut Chancellor's Research Excellence Award, 1998

Cattell Sabbatical Fellowship, 1993-1994

Distinguished New Contribution Award, International Society for the Study of Personal Relationships, 1990

Woodrow Wilson Dissertation Fellowship, 1971-1972

INVITED ADDRESSES:

Society of Australasian Social Psychologists, “The Partner (and the Participant) in Personality and Social Psychology,” Wellington New Zealand, March 2008.

Canterbury University, Christchurch New Zealand, Department of Psychology, “Are There Individual Differences in Judgmental Accuracy?,” March 2007.

Society of Personality and Social Psychology Self Preconference, Albuquerque NM, “Self-enhancement of metaperception?,” February 2008, with T. V. West.

Waterloo University, Department of Statistics, “Communication between Fixed and Random Effects,” November 2007.

Waterloo University, Department of Psychology, "Are There Individual Differences in Judgmental Accuracy?," November 2007.

IPN Conference on Longitudinal Data Analysis in Education, Kiel, Germany, "Overcoming Difficulties in the Estimation of Trait-State-Error Models," August 2007.

Economic Science Association, Rome Italy, "Group, Dyad and Individual Level in Leadership Perception: A Social Relations Analysis," June 2007, with S. Livi.

Fourth International Shared Decision Making Conference, Freiburg, Germany, "Dyadic data analysis in the context of shared decision making: Concepts, challenges, and perspectives," May 2007, with F. Légaré, A. LeBlanc, T. West, & A. M. O'Connor.

University of Nijmegen, Nijmegen, Netherlands, "The Intricate Dance between Accuracy and Bias in Social Perception," April 2007.

Queen's University, Kingston, Ontario, Canada, "The Intricate Dance between Accuracy and Bias in Social Perception," March 2007.

University of Arizona, Tucson AZ, "The Intricate Dance between Accuracy and Bias in Social Perception," March 2007.

Eighth Annual Meeting of the Society for Personality and Social Psychology, Memphis TN, "Using the Social Relations Model to Estimate Self-Enhancement Effects via Structural Equation Modeling," January 2007, with T. West.

New Methods for the Analysis of Family and Dyadic Processes, University of Massachusetts Center for Research on Families, "Dyadic Data Analysis: Challenges and Opportunities," October 2006.

New Methods for the Analysis of Family and Dyadic Processes, University of Massachusetts Center for Research on Families, "Testing Interaction Effects in the Actor-Partner Interdependence Model," October 2006.

University of Kansas, Research, Design, and Analysis Unit of Schiefelbusch Institute for Life Span Studies, Interdependent Data in Developmental Psychology, "Integrating Analytic Approaches," June 2006.

Notre Dame University, Methods for Child and Adolescent Development and Family Processes, "Specification Issues in Over-time Relational Models," May 2006.

Pfizer Corporation, New London CT, "Using Structural Equation Modeling for Intervention Analyses," May 2006.

Cornell University, Department of Communication, "The Partner (and the Participant) in Social Psychology," April 2006.

NH-Dartmouth Psychiatric Research Center, Lebanon NH, "Longitudinal Mediational Analysis of Programs," March 2006.

Seventh Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA, "The Partner (and the Participant) in Social Psychology," January 2006.

Seventh Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA, "Expression and Perception of Emotions at Minimal Acquaintance," January 2006, with T. West.

Seventh Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA, "Do we know what others expect of us? Accuracy of meta-expectations in social interaction," January 2006, with D. Popp.

Michigan State University, Social and Personality Group, "Searching for Individual Differences in Judgmental Accuracy," September 2005.

University of Nebraska, Departments of Sociology and Educational Psychology, "What Do Women (Lesbian and Straight) and Men (Gay and Straight) Want?," April 2005.

Relationship Preconference of the Sixth Annual Meeting of the Society for Personality and Social Psychology, New Orleans, LA, "What Do Women (Lesbian and Straight) and Men (Gay and Straight) Want?," January 2005, with T. West and D. Popp.

Sixth Annual Meeting of the Society for Personality and Social Psychology, New Orleans, LA, "Honesty in Relationships" January 2005, with T. West.

Sixth Annual Meeting of the Society for Personality and Social Psychology, New Orleans, LA, "Meta-Expectations and Influence," January 2005, with D. Popp.

Duke University, Social Science Research Institute, Durham, NC, "PERSON: A General Model of Interpersonal Perception," November 2004.

Fifth Applied Psychology Conference, Southern Illinois University, Carbondale, IL, "The analysis of applied data: The unspoken advantages," October 2004.

Association of Consumer Research Annual Conference, Portland, OR, "Similarity, Predictive Accuracy and Assumed Similarity among Dyads: Substantive and Methodological Issues," October 2004, with J. Cotte, T. Chowdhury, and S. Ratneshwar.

The Twenty-Eighth International Congress of Psychology, Beijing, China, "Using the Social Relations Model to Study Interpersonal Perceptions," August 2004, with J. Korchmaros.

International Association of Relational Research, Madison, WI, "Seven Deadly Sins of Dyadic Data Analysis," July 2004, with D. A. Kashy and W. L. Cook.

Arizona State University, Quantitative Area, Tempe, AZ, "Nonindependence: Its Effect on Significance Test and Degrees of Freedom," April 2004.

Arizona State University, Psychology Department, Tempe, AZ, "PERSON: A General Model of Interpersonal Perception," April 2004.

University of California at Berkeley, Haas School of Business, Berkeley, CA, "Issues in the Analysis of Small Group Data: Leaders and Followers," March 2004.

Fifth Annual Meeting of the Society for Personality and Social Psychology, Austin, TX, "The Effects of Gender-Linked Stereotypes on Talk and Perceptions of Talk in Mixed-Sex Dyads," January 2004, with D. Popp and M. Crawford.

Exploring the Mechanisms of Action of Behavioral Treatments, National Institute of Drug Abuse, Gaithersburg, MD, "Issues in Mediation and Moderation," February 2004.

Fifth Annual Meeting of the Society for Personality and Social Psychology, Austin, TX, "Conceptual, Methodological, and Practical Suggestions for Reinigorating the Study of Groups," January 2004, with D. R. Forsyth.

Fourth Annual Conference of the Society for Personality and Social Psychology, Universal City, CA, "An Evolutionary and Close Relationship Model of Helping," February 2003, Poster presentation with J. D. Korchmaros.

Society of Experimental Social Psychology, Ohio State University, Columbus, OH, "The Dialectic Between Individual and Institutional Change," October 2002.

American Psychological Association Convention, Chicago, IL, "Family Assessment Using the Social Relations Model," August 2002, Poster presentation with W. L. Cook.

Eleventh International Conference on Personal Relationships, Dalhousie University, Halifax, Nova Scotia, Canada, "The Search for Individual Differences in Judgmental Accuracy," July 2002.

Thirteenth Meeting of the European Association of Experimental Social Psychology, San Sebastian, Spain, "Searching for Individual Differences in Judgmental Accuracy," June 2002.

Third Annual Meeting of the Society for Personality and Social Psychology, Savannah, GA, "Predicting Helpfulness: A Self-defeating Prophecy," February 2002, with J. D. Korchmaros.

Society of Experimental Social Psychology, Washington State University, Spokane, WA, Moderator for Panel Session, "The Social Relations Model: A Methodology for the Study of Dyadic Processes," October 2001, with L. Albright, T. Malloy, B. Park, M. Levesque, S. D. Gosling, & V. S. Y. Kwan.

Sixth European Conference on Psychological Assessment, Aachen, Germany, Invited keynote address "Family Assessment and the Social Relations Model," September 2001, with W. L. Cook.

Sixth European Conference on Psychological Assessment, Aachen, Germany, Invited talk "Components of the Social Relations Model," September 2001, with W. L. Cook.

American Psychological Society, Toronto, Canada, "Predicting helpfulness: A Self-defeating Prophecy," June 2001, Poster presentation with J. D. Korchmaros.

University of Berne, Berne, Switzerland, "The Intricate Dance between Accuracy and Bias in Social Perception," June 2001.

Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN, "Modeling Nonindependence of Social Interaction Data," April 21, 2001.

Eleventh Biennial Preconference Meeting of the Society for Research in Child Development, Peer Relationships in Childhood and Adolescence, Minneapolis, MN, "The Actor-Partner Interdependence Model (APIM): A Model for the Study of Dyads," April 2001.

Rhode Island College, Department of Psychology, Providence, RI, Invited colloquium, "The Role of Significance Testing in 21st Century Psychological Science," April 2001.

Conference for Techniques for Handling Bias in Health Services Outcomes Research, Houston, TX, "Confounding: Causal versus Causal Analysis," November 2000.

Texas Christian University, Fort Worth TX, "PERSON: A General Model of Interpersonal Perception," November 2000.

Society of Experimental Social Psychology, Eighth Annual Preconference on Small Groups, Sheraton Colony Square Hotel, Atlanta, GA, "Using Multilevel Modeling to Estimate the Actor-Partner Interdependence Model for Small Group Research," October 2000, with D. A. Kashy.

University of Colorado, Boulder, CO, "PERSON: A General Model of Interpersonal Perception," October 2000.

Society of Experimental Social Psychology, Atlanta, GA, "Designs in Which Individuals Are in More Than One Group," October 2000.

Annual meeting of the Human Behavior and Evolution Society, University of Massachusetts, Amherst, MA, "Emotional Closeness as a Mediator of the Effect of Genetic Relatedness on Altruism," June 2000, with J. D. Korchmaros.

University of Massachusetts, Amherst, MA, Social and Personality Division, "The Intricate Dance of Accuracy and Bias in Person Perception," April 2000.

Yale University, New Haven, CT, Social Division, "The Intricate Dance of Accuracy and Bias in Person Perception," April 2000.

Notre Dame, Psychology Department, South Bend, IN, "The Dance between Accuracy and Bias in Person Perception," February 2000.

Texas A&M University, Department of Psychology, College Station, TX, "The Intricate Dance of Accuracy and Bias in Person Perception," January 2000.

University of Rome Sapienza, Rome, Italy, "Methods for the Analysis of Group Data for the Millennium," October 1999.

One Hundred Seventh Annual Convention of the American Psychological Association, Boston, MA, "Learning to Live with Nonindependence in Data," August 1999.

Social Psychology and Aging Workshop, National Institute on Aging, Behavioral and Social Research Section, Hyatt Regency, Bethesda, MD, "Interpersonal Processes and Measurement," July 1999.

Eleventh Annual Convention of the American Psychological Society, Denver, CO, "Mediational Analyses," June 1999, with Charles Judd.

University of Nijmegen, Nijmegen, Netherlands, General Faculty Lecture, "How Well Do We Know Other People's Personality?," May 1999.

Conference on "Family and Personality," University of Nijmegen, Nijmegen, Netherlands, "Using the Social Relations Model to Study Families," May 1999.

Free University of Amsterdam, Psychology Department, Amsterdam, Netherlands, "The Intricate Interplay of Accuracy and Bias in Person Perception," May 1999.

New York University, Psychology Department, New York, NY, "The Dance between Accuracy and Bias in Person Perception," December 1998.

Conference on "New Methods for the Analysis of Change." Pennsylvania State University, University Park, PA, "Trait-state Models for Longitudinal Data," October 1998, with A. Zautra.

One Hundred Sixth Annual Convention of the American Psychological Association, San Francisco, CA, "Conceptualizations of Self-Enhancement," August 1998, with V. Kwan & M. Bond.

Ninth International Conference on Personal Relationships, International Society for the Study of Personal Relationships, Skidmore College, Saratoga Springs, NY, "Accuracy and Bias of Perceptions of the Partner in Close Relationships," August 1998, with L. Acitelli.

Ninth European Conference on Personality, University of Surrey, United Kingdom, "Accuracy in Personality Assessment," July 1998.

Ninth European Conference on Personality, University of Surrey, United Kingdom, "Stability in the Perceptions of Others," July 1998.

National Science Foundation Sponsored Meeting of Accuracy Researchers, Northeastern University, Boston, MA, "Using the Social Relations Model to Study Accuracy," June 1998.

Conference on Mediation Models in Prevention Research, Arizona State University, Tempe, AZ, "The Effect of Small Samples on Tests of Mediation," March 1998, with R. Hoyle.

Boston College, Social Psychology Group, Chestnut Hill, MA, "PERSON: A General Model of Interpersonal Perception," December 1997.

Society of Experimental Social Psychology, Toronto, Canada, "Acquaintance, Consensus, and Accuracy in Person Perception: Implications of the PERSON Model," October 1997.

Sixth National Congress of Social Psychology, San Sebastian, Spain, "Methods for the Analysis of Groups," September 1997.

Annual Convention of the American Psychological Association, Chicago, IL, "A Familiar Method for Estimating Multilevel Models: Weighted Least Squares," August 1997.

Ninth Annual Convention of the American Psychological Society, Washington, DC, "Accuracy and Acquaintance: The PERSON Model," May 1997.

The Chinese University of Hong Kong, Shatin, New Territories, Hong Kong, "PERSON: A General Model of Interpersonal Perception," December 1996.

Rhode Island College, Providence, RI, "PERSON: A General Model of Interpersonal Perception," November 1996.

Fifty-eighth Annual Conference, National Council on Family Relations, Kansas City, MO, "Multiple Perspectives on Family Differentiation: Single Factor Versus Social Relations Models," November 1996, with S. Bartle-Haring and S. M. Gavazzi.

Brown University, Providence, RI, "PERSON: A General Model of Interpersonal Perception," October 1996.

Eighth International Conference on Personal Relationships, International Society for the Study of Personal Relationships, Banff, Canada, "Estimating Mutual Influence in Couples Research: An Extension of the Kraemer-Jacklin Method," August 1996, with W. L. Cook.

International Network on Personal Relationships Conference, Seattle WA. "Do relationship partners embrace the same ideals for marriage?", with L. K. Acitelli, June, 1996.

Harvard University, Social Psychology Group, Cambridge, MA, "Consensus in Interpersonal Perception," April 1996.

New York University, Social Personality Group, New York, NY, "Consensus in Interpersonal Perception," March 1996.

University of South Carolina, Columbia, SC, "Consensus in Interpersonal Perception," March 1996.

Marital and Family Therapy Outcome and Process Research Conference sponsored by the APA Science Directorate, Temple University, PA. "Actual similarity and accuracy in the perception of values in heterosexual couples," with L. K. Acitelli & D. Weiner, D., May, 1995.

University of Massachusetts, Social Personality Group, Amherst, MA, "Closeness and Accuracy in Person Perception," October 1995.

International Social Network Conference, London, England, "Do We Know How Much People Like One Another?", July 1995.

Building a Bridge between Research and Classroom Practices in Gifted Education, Windsor Locks, CT, March 1995, "Cooperative Learning and the Gifted," March 1995, with F. Archambault.

Social Psychology Group, Ohio State University, Columbus, OH, "Do We Know How Much People Like One Another?", February 1995.

Psychology Department, Dartmouth University, Hanover, NH, "Do We Know How Much People One Another?", February 1995.

Psychology Department Colloquium, University of Colorado, Boulder, CO, "Do We Know How Much People Like One Another?", November 1994.

Institute of Personality and Social Research, University of California at Berkeley, Berkeley, CA, "Do We Know How Much People Like One Another?", October 1994.

One-hundred-second Annual Convention of the American Psychological Association, Los Angeles, CA, "Measuring Personality in Interpersonal Settings - Methods and Models," August 1994.

Seventh International Conference on Personal Relationships, International Society for the Study of Personal Relationships, Groningen University, Groningen, Netherlands, "The Structure of Interdependence," July 1994.

Institute for Social Research, University of Michigan, Ann Arbor, MI, "Do We Know How Much People Like One Another?", May 1994.

Psychology Department Colloquium, Waterloo University, Waterloo, Canada, "Do We Know How Much People Like One Another?", April 1994.

Social Psychology Group, Yale University, New Haven, CT, "Do We Know How Much People Like One Another?", November 1993.

Psychology Department Colloquium, University of Notre Dame, South Bend, IN, "Do We Know How Much People Like One Another?", November 1993.

Annual Meeting of the American Educational Research Association, Atlanta, GA, "Cooperative Learning and the Gifted," April 1993, with B. Hallmark and F. Archambault.

National Association for Gifted Children, Los Angeles, CA, "Cooperative Learning and the Gifted," November 1992, with B. Hallmark, F. Archambault, and J. Leppien.

Annual Convention of the American Psychological Association, Washington, DC, "Cooperative Learning and the Gifted Student," August 1992, with B. Hallmark.

Joint Meeting of the European Association for Experimental Social Psychology and the Society of Experimental Social Psychology, Louvain-La-Neuv, Belgium, "Social Relations Model," July 1992.

Sixth Annual Preconference on Close Relationships, Society of Experimental Social Psychology, Columbus, OH, "Alternatives to Self-Report: Partner Perceptions," October 1991.

New England Social Psychological Association, Williams College, Williamstown, Ma, "Interpersonal Perception," October 1991.

Third Annual Convention of the American Psychological Society, Washington, DC, discussant of "Using Round Robin Designs to Study Affective Alignment and Coalitions in Families," June 1991.

Third Annual Convention of the American Psychological Society, Washington, DC, "Does Understanding Your Partner Lead to Better Outcomes?", June 1991.

International Network of Personal Relationships Conference, Normal, IL, "Levels of Analysis of Social Interaction Diaries: Separating the Effects of Person, Partner, Day, and Interaction," May 1991, with D. A. Kashy.

Society of Behavioral Medicine, Washington, DC, "Concurrent and Lagged Relations between Health Events and Mental Health over Time," March 1991, with A. J. Zautra.

Society of Experimental Social Psychology, University of Buffalo, Buffalo, NY, "Statistical Models: ANOVA to Structural Equation Modeling," October 1990.

Ninety-eighth Annual Convention of the American Psychological Association, Boston, MA, "State of the State Debate: Can Experts Detect Hypnosis?", August 1990, with I. Kirsch, C. P. Mobayed and J. R. Council.

Sixth International Conference on Personal Relationships, International Society for the Study of Personal Relationships, Oxford University, Oxford, England, "Do We Know How Others View Us?: An Empirical and Theoretical Account," July 1990.

Society of Psychotherapy Research, Statistical Institute, Wintergreen, VA, "Nonindependence and Power in Psychotherapy Research," June 1990.

Nags Head Conference, Mathematical Models for Social Processes, Co-organizer, Nags Head, NC, "The Use of The Social Relations Model to Study Dyadic Processes," June 1990.

University of Massachusetts, Social-Personality Group, Amherst, MA, "Consensus in Personality Judgments," September 1989.

Second Iowa Conference on Personal Relationships, University of Iowa, Iowa City, IA, "Effects of Private Self-consciousness on Self-reported and Peer-reported Self-disclosure: An Application of the Social Relations Model," May 1989, with R. Reno.

Society of Experimental Social Psychology, University of Wisconsin, Madison, WI, "Consensus at Zero Acquaintance: Face-to-face and Videotape Presentations," October 1988, with C. Horner, D. A. Kashy, L. Albright, and T. E. Malloy.

Memphis State University, Psychology Department, Memphis, TN, "Consensus in Personality Judgments," September 1988.

Fifth International Conference on Personal Relationships, International Society for the Study of Personal Relationships, International Conference of Personal Relationships, University of British Columbia, Vancouver, Canada, "Interpersonal Perception in Friends and Acquaintances," July 1988.

New York University, Social Psychology Group, New York, NY, "Consensus in Personality Judgments," April 1988.

University of South Carolina, Psychology Department, Columbia, SC, "Current Issues in Causal Modeling," March 1988.

New England Social Psychological Association, Yale University, New Haven, CT, "When is There Consensus in Personality Ratings?", September 1987.

Fifty-ninth Annual meeting of the Midwestern Psychological Association, Chicago, IL, "Accuracy in Interpersonal Impressions," May 1987, with C. Bond and S. E. Dorsky.

University of Virginia, Department of Psychology, Charlottesville, VA, "Basic Questions in Person Perception," March 1987.

University of North Carolina, Institute for Research in the Social Sciences, Chapel Hill, NC, "Basic Questions in Person Perception," December 1986.

University of North Carolina, Social Psychology Group, Chapel Hill, NC, "The Level of Analysis Problem in Social Research," December 1986.

Ninety-fourth Annual Convention of the American Psychological Association, Washington, DC, Division 8 Invited Address, "Basic Questions in Person Perception," August 1986.

University of Arizona, Psychology Department, Tucson, AZ, "Neglected Topics in Person Perception: Consensus, Projection, and Accuracy," May 1986.

Arizona State University, Psychology Department, Tempe, AZ, "Do We Know How Others See Us?", October 1985.

University of New Hampshire, Psychology Department, Durham, NH, "Do We Know How Others See Us?", May 1985.

Keynote address for the conference on The Measurement of Dyadic and Group Processes in Families, Brigham Young University, Provo, UT, "Using Ordinary Dyads as a Baseline to Study Special Dyads," February 1985.

Lehigh University, Social Relations Department, Bethlehem, PA, "Causal Modeling in the Social Sciences," December 1984.

Dartmouth College, Applied Statistics Group, Hanover, NH, "Interactive and Nonlinear Effects of Latent Variables," May 1984.

Dartmouth College, Psychology Department, Hanover, NH, "The Social Relations Model for Interpersonal Behavior," May 1984.

Brandeis University, Psychology Department, Waltham, MA, "The Social Relations Model for Interpersonal Behavior," April 1984.

Clark University, Psychology Department, Worcester, MA, "The Social Relations Model for Interpersonal Behavior," April 1984.

University of Massachusetts, Department of Sociology, Amherst, MA, "The Level of Analysis Problem," December 1983.

Columbia University, Psychology Department, New York, NY, "The Social Relations Model for Interpersonal Behavior," October 1983.

Society for Experimental Social Psychology, Pittsburgh, PA, "Methods for Studying Social Interaction," October 1983.

University of California at Los Angeles, Psychology Department, Los Angeles, CA, "The Social Relations Model for Interpersonal Behavior," April 1983.

University of California at Los Angeles, Social Psychology Group, Los Angeles, CA, "Separating Individual and Group Effects," April 1983.

University of California at Santa Barbara, Social Psychology Group, Santa Barbara, CA, "The Social Relations Model for Dyadic Data Structures," March 1983.

University of California at Santa Barbara, Social Psychology Group, Santa Barbara, CA, "Structural Equation Modeling in Social Psychology," March 1983.

Yale University, School of Management, New Haven, CT, "Studying Groups and Individuals," March 1983.

Center for Advanced Study in the Behavioral Sciences, Palo Alto, CA, "The Social Relations Model for Interpersonal Data," February 1983.

University of California at Davis, Psychology Department, Davis, CA, "Interpersonal Attraction and Dyadic Models," November 1982.

Conference on Individual Development and Social Change, sponsored by the Max Planck Institute, Berlin, Germany, "The Role of Micro-social Effects in Explaining the Effects of Society on the Individual," June 1982.

Yale University, Social Psychology Group, New Haven, CT, "The Social Relations Model: A Model for Dyadic Interaction," May 1982.

Conference on Small Group Communication, Pennsylvania State University, State College, PA, "An Interactionist Approach to Small Group Research: Analyzing Peer Assessments," April 1982, with B. Montgomery.

University of Rhode Island, Psychology Department, Kingston, RI, "Roommates, Reciprocity, and Round Robins," October 1981.

Eastern Psychological Association, New York, NY, "Reciprocity of Attraction: A Confirmed Hypothesis," April 1981, with L. La Voie.

New England Social Psychological Association, Tufts University, Medford, MA, "The Study of Dyadic Interaction: Learning to Live with Nonindependence," April 1981.

University of Massachusetts, Social Group, Amherst, MA, "The Study of Dyadic Interaction: Learning to Live with Nonindependence," March 1981.

Eighty-eight Annual Convention of the American Psychological Association, Montreal, Canada, "The Measurement of Assimilation and Contrast," August 1980, with C. M. Judd.

Eighty-eight Annual Convention of the American Psychological Association, Montreal, Canada, "Processing Inconsistent Social Information," August 1980, with J. S. Berman.

Eastern Psychological Association, Hartford, CT, "Attribution of Causality: A Causal Model," March 1980, with L. Hafner.

University of Pittsburgh, Psychology Department, Pittsburgh, PA, "Attraction and Perceived Attraction: A Round Robin Analysis," March 1980.

Society for the Advancement of Social Psychology, Northeastern Regional Meeting, Brooklyn, NY, "New Directions in Social Psychology," October 1979.

University of Connecticut, Psychology Department, Storrs, CT, "Designs for Social Interaction," February 1978.

University of California at Santa Cruz, Psychology Department, Santa Cruz, CA, "Designs for Social Interaction," January 1978.

Boston College, Psychology Department, Chestnut Hill, MA, "Cross-lagged Panel Correlation," March 1977.

Brandeis University, Psychology Department, Waltham, MA, "Cross-lagged Panel Correlation," February 1977.

University of Nebraska, Psychology Department, Lincoln, NE, "Cross-lagged Panel Correlation," January 1977.

University of Indiana and Purdue University at Indianapolis, Indianapolis, IN, Psychology Department, "Correlational Bias in Observer Ratings," October 1976.

Eighty-fourth Annual Convention of the American Psychological Association, Washington, DC, "External Validity: Cost and Benefits," September 1976.

The World Future Society, Boston-Cambridge Chapter, Cambridge, MA, "Mass Media and Societal Violence: Is There a Relationship?," May 1976.

Conference on Longitudinal Research in Drug Use, San Juan, Puerto Rico, "A Cross-lagged Panel Approach to the 16-fold Table," April 1976.

Eighty-third Annual Convention of the American Psychological Association, Chicago, IL, "Cross-lagged Panel Analyses of Self-esteem, Locus of Control, and Academic Achievement," September 1975, with R. J. Calsyn.

Eighty-third Annual Convention of the American Psychological Association, Chicago, IL, discussant of "Historical and Temporal Issues in Social Psychology," September 1975.

University of Massachusetts at Amherst, Social Psychology Group, Amherst, MA, "Causal Models for the Halo Effect," May 1975.

New England Social Psychological Association, Tufts University, Medford, MA, "Causal Models for the Social Psychology Experiment," April 1975.

Eighty-second Annual Convention of the American Psychological Association, New Orleans, LA, discussant of a "Multimethod Individual Differences Study of Implicit Personality Theory," September 1974.

New England Social Psychological Association, Smith College, North Hampton, MA, "Models for an Applied Social Science," October 1972.

University of Wisconsin at Madison, Sociology Methodology Training Studies Group, Madison, WI, "Regression versus Factor Models in Panel Studies," February 1972.

Structural Equations Conference, sponsored by SSRC-SSRI, Madison, WI, "Toward a Model of Dynamic Causation," November 1970.

University of Chicago, Statistics Department, Chicago, IL, "Temporal Erosion in the Cross-lagged Panel Correlation," February 1970, with D. T. Campbell.

WORKSHOPS:

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2008, "Structural Equation Modeling" with S. Milan.

TRIPP Seminar Series, University of Connecticut Health Center, Farmington CT, May 2008, "Statistical Mediation in Clinical Research."

Society of Australasian Social Psychologists, Wellington New Zealand, March 2008, "Dyadic Data Analysis."

Psychology Department, Canterbury University, March 2008, "Estimating Growth Curve Modeling Using Structural Equation Modeling."

Psychology Department, Canterbury University, March 2008, "Multilevel Modeling with SPSS."

Meeting of the International Collaboration Project: *Translating shared decision making into health care clinical practices: proof of concepts*, Laval University, Quebec, Canada, "The Statistical Analysis of the One-with-Many Design to Study Physician-Patient Interaction," October 2007.

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2007, "Structural Equation Modeling" with S. Milan.

Data Analysis Training Institute of Connecticut, University of Connecticut, May 2007, “Dyadic Data Analysis Modeling Workshop” with T. West.

Departments of Communication and Human Development, University of Arizona, March 2007, “Using SPSS to Study Dyads.”

International Association of Relationship Researchers, Rethymnon, Crete, July 2006, “Actor-Partner Interdependence Model.”

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2006, “Structural Equation Modeling” with S. Milan.

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2006, “Dyadic Data Analysis Modeling Workshop” with W. Cook.

Research, Design, and Analysis Unit of Schiefelbusch Institute for Life Span Studies of the University of Kansas, February 2006, “Dyadic Data Analysis.”

Sport and Exercise Sciences, University of Porto, October 2005, “Dyadic Data Analysis Using HLM.”

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2005, “Social Relations Model Workshop” with L. Albright and T. Malloy.

Data Analysis Training Institute of Connecticut, University of Connecticut, June 2005, “Dyadic Data Analysis Modeling Workshop” with W. Cook.

University of Nebraska, Departments of Psychology, Educational Psychology, and Sociology, “Multilevel Modeling,” April 2005

Data Analysis Training Institute of Connecticut, University of Connecticut, Storrs, CT, June 21-25, 2004, “Dyadic Data Analysis Modeling” with W. Cook.

Data Analysis Training Institute of Connecticut, University of Connecticut, Storrs, CT, June 7-11, 2004, “Social Relations Model” with L. Albright and T. Malloy.

Catholic University, Milan, Italy, May 2004, “Using the Social Relations Model to Study Groups.”

University of Texas at El Paso, Department of Psychology, March, 2004, “Social Relations Model Workshop.”

University of Texas at El Paso, Department of Psychology, March, 2004, “Multilevel Modeling Workshop.”

University of Connecticut, Storrs, CT, June 2003, “Social Relations Model Workshop” with L. Albright and T. Malloy.

H. Wayne Huizenga School of Business & Entrepreneurship, Nova Southeastern University, Fort Lauderdale, FL, December 2002, "Structural Equation Workshop."

Society of Experimental Social Psychology, Ohio State University, Columbus, OH, October 2002, "Multilevel Modeling in Experiments" with J. D. Korchmaros.

Research Center for Group Dynamics, University of Michigan, Ann Arbor, MI, Summer Workshops in Experimental Methodology, July 2002, "Social Relations Model: Understanding Dyadic Processes."

The State University of New York at Buffalo, Department of Educational Psychology, Buffalo, NY, June 2002, "Introduction to Structural Equation Modeling."

EDITORIAL SERVICE:

Associate Editor:

Personality and Social Psychology Review, 1998-2000
Psychological Bulletin, 1976-1979

Consulting Editor:

Journal of Personality and Social Psychology:
Attitudes and Social Cognition, 1979-1986, 1990-1991, 1995-1996
Interpersonal Relations and Group Processes, 1986-1989, 1997-2007
Journal of Experimental Social Psychology, 1990-1997
Journal of Nonverbal Behavior, 1986-1989
Personality and Social Psychology Review, 1997
Psychological Bulletin, 1994-1996
Psychological Methods, 2001-2004

SERVICE:

eHarmony, Scientific Board of Advisors, 2007-

American Psychological Association Task Force Member on Statistical Inference Testing, 1998-2003.

Committee Member, Committee on Developing a Research Agenda on the Education of Limited English Proficient and Bilingual Students, National Academy of Science, 1995-1996

Study Section Member, National Institute of Health, Behavioral Medicine, 1988-1991

Advisory Panel Member to the Food and Nutrition Service for the National WIC Evaluation, 1980-1987

Consultant to the Surgeon General's Report on the Effects of Television Violence on Children's Aggression, 1971-1972

RESEARCH INTERESTS:

Social Psychology: Interpersonal perception, social interaction in dyads and small groups.

Methodology: Levels of analysis, structural equation modeling, quasi-experimental designs.

COURSES TAUGHT:

Analysis of Variance
Causal Inference from Nonexperimental Data
Introductory Statistics
Introductory Social Psychology
Evaluation Research
Field Research in Social Psychology
Interpersonal Perception
Small Groups
